You don't need to send it to me. Just keep proof in her client file.

Ok, perfect. Yes, she applied for the government phone but was ineligible.

Are we to provide proof of that denial?

I believe there is a federal program that assists with cell phones for low-income individuals, so you would have to look into that program first. If the client did not qualify for that program and there are no other resources that will pay for the phone, then we could assist.

Hi Emily,

Under the new contract, would we be able to purchase a minute phone for a client?

**Thanks!**
